# Dog Bag Key Ring Holder

## Step 1.

Print out the pattern and instructions. Make sure not to print to scale. Use the test square to check the sizing.

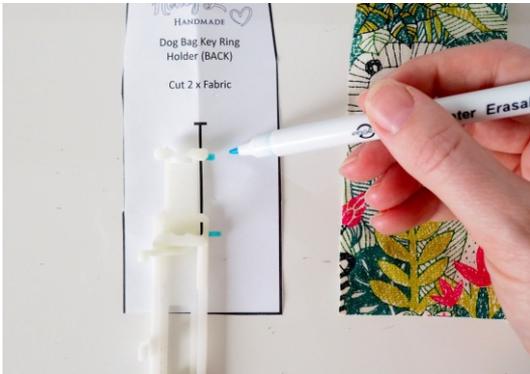

## Step 2.

Cut out the fabric, as directed.

## Step 3.

Use the pattern guide to show you where the button hole center is. The make it perfectly accurate place your button hole foot, pulling out your button hole as far as it can go. Not center this on the paper and mark two lines where the start and finish will go, as shown below.

## Step 4.

Use the paper guide to mark on your fabric with a water erasable pen so you know where to put your button hole.

## Step 4.

Stitch the button hole in place.

## Step 5.

Repeat for the second back material and then open the button holes with scissors.

## Step 5.

Continue to *step 3* in the **Lipstick Keyring Holder** instructions.

# Lipstick Key Ring Holder

## Step 1.

Print out the pattern and instructions. Make sure not to print to scale. Use the test square to check the sizing.

## Step 2.

Cut out the fabric, as directed.

## Step 3. (Continue here to complete the Dog Bag Key Ring)

Place the folded front on top of the back, as shown below. The folded edge will be in the centre of the fabric. Now place remaining back on top with the right sides facing, as shown below. Pin in place.

### Step 3.

Starting at the green arrow, stitch 1/4" along the fabric ending at the red arrow.

### Step 4.

Turn the fabric inside out. Push the corners out with scissors to make a firm corner.

Iron out flat.

### Step 5.

Fold the top edge down 1/4 inch.

### Step 6.

Fold down 1/2 inch and then pin in place.

### Step 7.

Stitch in place, close to the edge.

### Step 7.

You can now place the split key ring through the opened edge. I like to use a screw driver to hold the key ring open and slide it through.

**Your Lipstick Key Ring Holder is now completed**  
Use with your favorite lipstick and secure onto your keys.

**Your Dog Bag Key Ring Holder is now completed**  
Tip: Push the first doggy bag through the button hole opening and then push the dog bags inside. Secure to your dog leash or keys!
